

# YUDITH DWI HARDYANTO

## IT | FRESH GRADUATE

Subang, West Java, 41254 | 0895332171148 | yudithdwihardyanto@gmail.com

---

### PERSONAL PROFILE

Fresh graduate in Informatics with experience in web and mobile development. I have expertise in building web and mobile applications using programming languages such as Java, HTML, CSS, and JavaScript, as well as frameworks like Laravel and Bootstrap. I possess strong problem-solving skills and am capable of working both independently and in a team.

---

### EXPERIENCE

#### Teman Bus

Jan 2023 - Mar 2023

- Responsible for taking photos of Teman Bus terminals.
- Determine the terminal location coordinates on the map and integrate into the system.
- Testing of coordinates and photo displays within the system to ensure the accuracy and correctness of the displayed data according to the location.
- Deploy the tested system to the production environment via GitHub.

#### Procapita
